

Final Project Research Question

Student: Duncan Ferguson

## Research Question

- Has the U.S. started to Export more LNG to NATO?
- What Percentage of our LNG export are being directed to Nato?
- What percentage of Europe's Natural demands need to be met by LNG/Imports?
- How much of European Natural Gas is met by sources that are not Russia?
- Can we forecast Europe's Natural Gas Demands? And how they are going to be met in the future?
